listing the canons of construction - related to this canon is the next: 11. *noscitur a sociis*: “[a] word is known by the company it keeps.”⁴³ as another way of saying this, “the meaning of a word depends on the context in which it is found.”⁴⁴ “this method of statutory construction is often wisely applied where a word is capable of many meanings. **the rehnquist court's canons of statutory construction** - of another provision. [fn18] ... • the “dog didn't bark” canon: presumption that prior legal rule should be retained if no one in legislative deliberations even mentioned the rule or discussed any changes in the rule. [fn49] ... against congressional abrogation of indian treaty rights. **construction on indian reservations** - of title 25 will apply. when construing title 25 and other federal indian statutes, the applicable canon of construction is “statutes passed for the benefit of dependent indian tribes . . . are to be liberally construed, doubtful expressions being resolved in favor of indians.”¹ indeed, federal preemption **the navajo - manchester university** - very offensive, and the person who tried to force another to surrender faced the possibility of death. meriwether insisted on this, because if the army went in to look for people causing problems they would not be able to tell one navajo from another and that would cause more problems. eventually the headmen agreed to this point⁹. **indiana attorney general greg zoeller** - policy concern, or be prohibited by another federal, state or local law. all public officials should seek legal advice from an attorney before accepting a second public service position. state officials considering a second position should discuss the matter with their agency attorney before seeking an opinion from the indiana attorney general. **rise and fall of the british east india company formation ...** - the east india company (eic) was incorporated by royal charter in 1600. the charter granted a monopoly of all english trade in all lands washed by the indian ocean (from the southern tip of africa, to indonesia in the south pacific). unauthorized (british) interlopers were liable to forfeiture of ships and cargo. **statutory interpretation: general principles and recent trends** - “substantive” canon is that congress does not intend to change judge-made law. other substantive ... as another example, congress must strongly signal an intent to the courts if it wishes to apply a statute retroactively or override existing law. the court also tries to avoid an ... statutory interpretation: general principles and recent ... **the soul of the indian - csusm** - the religion of the indian is the last thing about him that the man of another race will ever understand. —charles eastman i want to emphasize at the outset that, as the subtitle indicates, this is a work of philosophy. as such, my treatment of the vision quest, or hanbleceya, will differ substantially from the disciplines that typically
